

Signature Package

This is our premier service. You will deal exclusively with Neelu at all times.

You will have Neelu's personal mobile number and can contact her weekdays from 9:30am - 8pm and weekends from 12pm - 6pm.

Our signature service is tailored to an elite group of clients based in the UK and globally.

Our Signature Package is aimed at high net worth individuals/families, entrepreneurs, highly successful professionals, and people in the public domain both in the UK and abroad.

This is a global head hunting service where we work with our International associates and contacts to search for that special person for you.

This service is recommended for clients who prefer a very personalised service working with Neelu on a one to one basis. Families may have very specific or culturally sensitive requirements and they therefore demand the very highest levels of expert knowledge, experience, confidentiality and discretion about where and how to search for the right life partner.

This is a 12 month membership which may be renewed annually.

Signature clients are accepted following a detailed meeting with Neelu. The registration fee is £5,000 which is non refundable after a 14 day cooling period. The success fee starts from £10,000 depending on the requirements of the individual. The success fee is payable after 6 months if the two individuals are still seeing each other.
